

Step-By-Step Guide To Selecting Your Elective GSMs Using GENESSYS

1. Log into student portal – myNYP Portal (<https://mynypportal.nyp.edu.sg>) – using:
 - Log-in ID: Your NYP email address
 - PW: Your Password

The screenshot shows the myNYP Portal homepage. At the top right, the 'Login' button is highlighted with a red box. Below the banner, the 'POPULAR SERVICES' section includes buttons for 'BLACKBOARD', 'NYP EMAIL', and 'STUDENT LIFE ACADEMY'. A red robot icon labeled 'ASKNYP' is on the right side.

2. Once you are logged into the Student Portal, go to Academic Services -> Modules/Competency Units and Electives -> GS Selection Module/Competency Unit.

The screenshot shows the 'Modules/Competency Units and Electives' page. The 'Modules/Competency Units and Electives' menu item is highlighted with a red box. The 'GS Selection Module/Competency Unit' button is also highlighted with a red box. The page includes a navigation menu on the left and a main content area with several service cards.

3. You will then find yourself in GENESSYS, where you are given 12 choices to select your desired GSMs in descending order of preference (no. 1 being your most preferred, no. 2 being your next preferred and so on).

5. Please note that Year 1-3 GSMs are grouped into the following three categories:

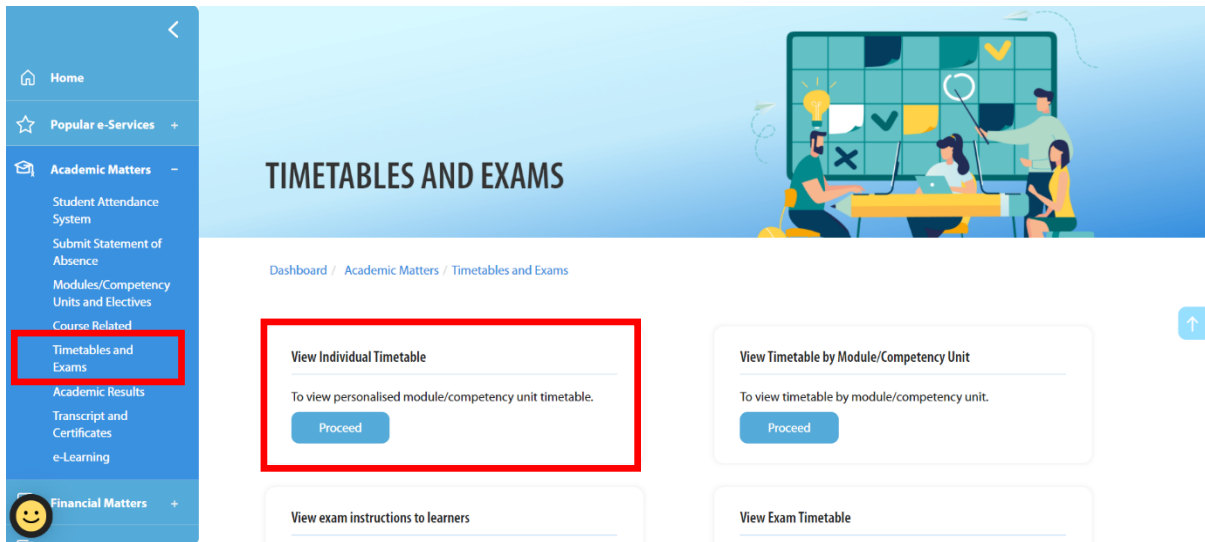

Group 1	Modules offered by CILS
Group 2	Modules offered by SAS, SBM & SEG
Group 3	Modules offered by SDM, SHSS & SIT

- For **choices 1 to 9**, you are required to select two (2) modules from Group 1, four (4) modules each from Group 2 and three (3) modules from Group 3, in any order.
 - For **choices 10 to 12**, you can select modules from any Group.
 - Refer to the GSM portal (<https://mynypportal.nyp.edu.sg/en/gsm.html>) for the full list of modules offered under each group for both Year 2 and 3 learners.
6. Ensure that you complete all 12 choices before submitting your selection. Your choices are considered successfully “submitted” once they are **saved**.
- After submitting, you can still log into GENESSYS to make changes to your selection **before the closing date** of the selection exercise, after which all choices are considered **final**.
 - Do note that there is no guarantee that you will be allocated a module which you have selected due to demand and availability of places.
 - Spread your selection across the various time slots to maximise your chances of getting the modules that you want, especially if you are required to take 2 GSMs.

7. For Year 2 and 3, please check your timetable around one week before the start of the semester to find out the GSMs that you have been allocated to.

For SAS/SBM/SDM Year 1, please check your timetable on Friday 5pm of the first week of the semester to find out the GSM you have been allocated to.

To view your timetable, go to the student portal and select **Academic Matters** -> **Timetables and Exams** -> **View Individual Timetable**.

8. Enter the Intake/Acad Yr & Semester for enquiry. Click the [Submit] button to proceed.
