6	Centre for Innovation and Life Skills FGX129 Discovering Vietnamese Culture & Society	This learning unit offers a unique perspective on Vietnam's history and culture, exploring its traditions, cuisine, and social dynamics. It provides valuable insights into daily life and festivals, making it perfect for travellers and culture enthusiasts. Enroll today to start your cultural journey!	• History • Festivals • Cuisine • Society • Ethnic diversity • Economic development
7	Centre for Innovation and Life Skills FGX130 Discovering French Culture & Society	You may have been using French words for years without knowing it: <i>café, à la carte, déjà vu, montage, coup d'état, entrepreneur...</i> Indeed, France is a major nation whose sphere of influence extends beyond Europe. This learning unit will bring you on a journey into the rich and fascinating world of French culture and society	• France • History • Society • Yearly Events • Industry • Etiquette
8	Centre for Innovation and Life Skills FGX132 Innovating the Everyday	We all come across little things that are awkward, inconvenient or just don't work as well as they could. But what if you could do something about them? In this learning unit, you'll discover how these everyday moments can be the starting point for innovation. You'll learn how to notice problems, look at them differently, generate and choose ideas, and make your solutions clear to others. Along the way, you'll also explore why some ideas catch on while others don't. You don't need to be an inventor, just be curious, question what you see, and be willing to try a different way.	• Small Ideas, Big Impact • Spotting Problems • Creative Thinking • Developing Ideas • Communicating Ideas • Making Ideas Stick

9	<i>Centre for Innovation and Life Skills</i> FGX133 Entrepreneurship Truths & Myths	Think entrepreneurship is only for people with big ideas, lots of money, or a natural talent for business? In this learning unit, you'll uncover the truths behind common entrepreneurship myths and discover that entrepreneurship is more accessible than you may think. Through real-world examples, you'll learn to question assumptions, consider different perspectives, and develop an entrepreneurial mindset that can be valuable whether or not you choose to start a business.	• Entrepreneurs Are Born, Not Made • Entrepreneurship Is Too Risky • Big Ideas Create Big Entrepreneurs • You Need a Lot of Money to Start • Students Are Too Young to Start • Must Know Everything Before Starting • Entrepreneurs Work Alone • Only Tech Startups Succeed • Good Products Sell Themselves • Failure Means You're Not Cut Out
