## NOTES FOR STUDENTS

- The information provided will be kept strictly confidential and used for assessing fitness for course admission only. Fees incurred for the test are to be borne by the student.
- Complete Part A of this form and bring it along with you to a **medical practitioner / optometrist registered in Singapore** for the test. You may visit a private clinic, your own family doctor or an optical shop.
- Please ensure Part B of your report is duly completed by the doctor before you leave the clinic.
- Please wear your glasses or contact lens for the colour vision test.
- **Submission** of the completed colour vision test report:

Students <b>transferred</b> from another Polytechnic	If you have already done the check-up, please inform us via email at <a href="mailto:admissions@nyp.edu.sg">admissions@nyp.edu.sg</a> , indicating clearly the Polytechnic you have submitted the medical report to. NYP will follow-up on your behalf.
International Students	Collect the completed ICA Medical Examination Report from the clinic <b>personally</b> for submission to ICA.
All other students	Upload the colour vision test report by following the instructions given on NYP Online Enrolment System or NYP Enrolment Website: <a href="https://mynypportal.nyp.edu.sg/en/enrolment.html">https://mynypportal.nyp.edu.sg/en/enrolment.html</a>

- For **International Students**, an **additional** Medical Examination Report is required by ICA for your Student's Pass Application. The report can be downloaded from NYP Online Enrolment System or ICA Website : [www.ica.gov.sg/eservicesandforms/all-forms](http://www.ica.gov.sg/eservicesandforms/all-forms).

**Important :**

- If you are unable to complete the test before the deadline given, please inform us via email at [admissions@nyp.edu.sg](mailto:admissions@nyp.edu.sg). **Failure to submit your colour vision test report may result in you being deemed medically unfit to pursue the course.**
- If you have colour appreciation deficiency, you may encounter difficulties meeting the course requirements and expectations. **Please inform us immediately via email at [admissions@nyp.edu.sg](mailto:admissions@nyp.edu.sg) with the email subject "Colour Vision Deficiency", stating clearly your Student Admission Number, Name, Contact Number and Course Offered.**
- Students with severe colour appreciation deficiency will be assessed on a case-by-case basis to determine whether they can continue with the offered course or be recommended for a course transfer.
