COLOUR VISION TEST
NOTES FOR STUDENTS

- The information provided will be kept strictly confidential and used for assessing fitness for course admission only. Fees incurred for the test are to be borne by student.

- Complete Part A of this form and bring it along with you to a **Singapore registered medical practitioner** or **registered optometrist** for the test. You may visit a private clinic, your own family doctor or a Singapore registered optical shop.

- Please ensure Part B of your report is duly completed by the doctor before you leave the clinic.

- Please wear your glasses or contact lens for the colour vision test.

- ***Submission*** of the completed colour vision test report:

Students **transferred** from another Polytechnic	If you have already done the check-up, please inform us via email at NYP_Admissions_Office@nyp.edu.sg, indicating clearly the Polytechnic you have submitted the medical report to. NYP will follow-up on your behalf.
International Students	Collect the completed ICA Medical Examination Report from the clinic **personally** for submission to ICA.
All other students	Upload the colour vision test report by following the instructions given on NYP Online Enrolment System or NYP Enrolment Website: **www.nyp.edu.sg/enrolment**

- For ***International Students***, an **additional** Medical Examination Report is required by ICA for your Student's Pass Application. The report can be downloaded from NYP Online Enrolment System or ICA Website : **www.ica.gov.sg/eservicesandforms/all-forms**.

Important :
- If you are unable to complete the test before the deadline given, please inform us via email at NYP_Admissions_Office@nyp.edu.sg. **Failure to submit your colour vision test report may result in you being deemed medically unfit to pursue the course**.

- If you have colour appreciation deficiency, you may encounter difficulties meeting the course requirements and expectations. **Please inform us immediately via email at NYP_Admissions_Office@nyp.edu.sg with the email subject "Colour Vision Deficiency", stating clearly your Student Admission Number, Name, Contact Number and Course Offered.**

- Students with severe colour appreciation deficiency will be assessed on a case-by-case basis to determine whether they can continue with the offered course or be recommended for a course transfer.
