

Received your Concession card from your Institution?

Top up via the SimplyGo app or at any ticketing service kiosk to start using it. There is no need to visit any SimplyGo Ticket Office to activate the card.

Diploma Student Concession cards can now be converted to SimplyGo at ticketing service kiosks located at MRT stations and bus interchanges.

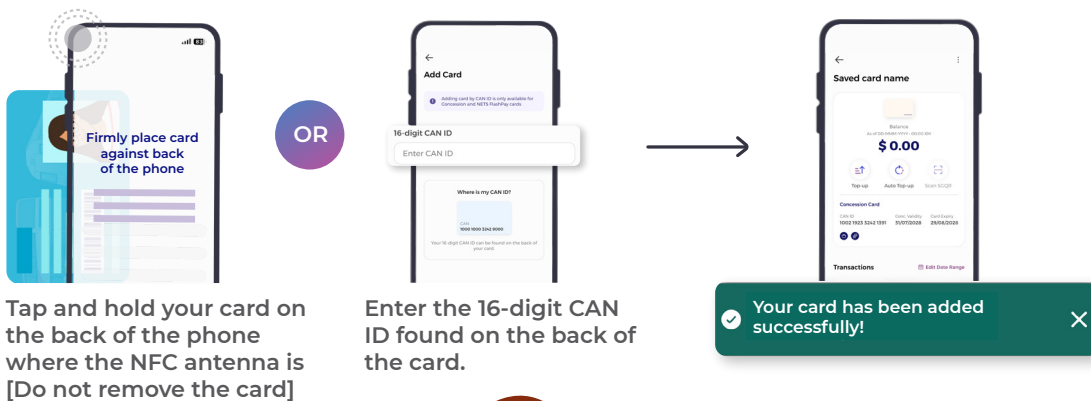

Download the SimplyGo app and pair your Concession card with your account to manage your daily commute with ease:

1 To pair a card, tap 'Add +'

2 Select <EZ-Link / Concession Card>

3 Tap and hold your card on the back of the phone where the NFC antenna is [Do not remove the card]

Enter the 16-digit CAN ID found on the back of the card.

Your card has been added successfully!
