

## DIPLOMA STUDENTS GRADUATING IN 2027

The concession validity for your Diploma Student Concession Card will expire in 2027 upon your graduation.

Please extend it via the channels listed below between 1 October 2026 and 31 December 2026 to enjoy additional 4 months of concessionary public transport fares.

**Extend your concession validity at any of the following:**

The diagram illustrates four methods to extend concession validity. On the left, two kiosk options are shown: a grey 'SimplyGo Kiosk' and a blue 'Top-Up Kiosk'. On the right, two service counter options are shown: a 'Passenger Service Centre' with a staff member behind a counter, and a 'Ticketing Service Centre/ Ticket Office' with a staff member behind a counter. Below each kiosk is a text box: 'Place your concession card on the card reader to extend its concession validity.' Below the service counter options is a text box: 'Bring your concession card to any ticketing counter for assistance.'

Place your concession card on the card reader to extend its concession validity.

Bring your concession card to any ticketing counter for assistance.

### IMPORTANT

1. Students whose concession cards are linked to **Auto Top-up** or topped up via the **SimplyGo app** will also need to extend their cards' concession validity at the ticketing service kiosks or counters.
2. Students whose concession validity is not extended by **31 December 2026** will not be eligible for refunds if they paid adult fares.
