Medical Declaration

Complete disclosure for this section is crucial prior to the activity mentioned above as it might affect your well-being in the activity/event. Applicants are to state their medical conditions to allow Nanyang Polytechnic to determine the suitability of the programme to your health conditions.

If applicant has stated "YES" to any of the conditions mentioned, please describe in detail as to whether you have fully recovered, if you are still on medication/treatment, providing details of the condition, injury and treatment. Applicants may be required, based on the discretion of the Student Development Executives/organizers of the programme, to seek medical consultation and get approval letters from their certified medical practitioner to participate in the programme mentioned above. Consultation cost will be fully borne by the applicant him/herself. Failure to declare medical conditions may render applicant to be disqualified from participating in the activity/event mentioned above.
